EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Victor Cardona on March 24, 2004.

The application has been amended as follows:

In the Specification, Section [0001], line 1, "6,282,639" should read -6,283,639-

Note: the above amendment was made to resolve a minor typographical error with respect to the Pat. Number. See Section [0021] (showing correct patent designation).

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: Figure 1 will be labeled –Prior Art--; Figure 4, reference 143 (left) will include an arrow pointing at the roller element. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

Application/Control Number: 10/616,030

Art Unit: 3726

3. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest a method (or apparatus) for adjusting the spacer of a bearing assembly comprising: a preload regulator comprising first and second portion, and a controller coupled to said first and said second portions to detect an electrical contact between said first and said second portions, in combination with the other claimed subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Contact Information

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric B. Compton whose telephone number is (703) 305-0240. The examiner can normally be reached on M-F, 9-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Peter B. Vo can be reached on (703) 308-1789. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
